To train staff to deliver Seasons for Growth, an accredited loss and grief group for children, young people aged between 5-18 years, or adults. Seasons for Growth is a group intervention for those who have experienced a bereavement or any significant loss or change. The aim is to help participants to manage feelings associated with loss. It runs over 8 sessions with a 9th celebration session concluding the experience. The programme develops communication, reduces isolation and helps students to access their education.

Please note:

Seasons for Growth is a peer group intervention not an individual intervention.
